

Explorations Through Time

Involve your middle and high school students in the process of science with these interactive CD modules focusing on the major science concepts of evolution.

CD includes 7 modules:

- Life Has a History
- Getting Into the Fossil Record
- Understanding Geologic Time
- What Did T. Rex Taste Like?
- Stories From the Fossil Record
- The Evolution of Flight
- Adventures at Dry Creek

Developed by staff, students, and scientists at the UC Museum of Paleontology as an interactive web experience, the modules are now available on CD, exclusively through CSTA, for teachers and students without internet connection.

Order your copy today!

You can preview the modules on-line prior to ordering at www.ucmp.berkeley.edu/museum/ucmp_news/
