

MARGARET NICHOLSON DISTINGUISHED SERVICE AWARD

Presented by the California Science Teachers Association

Each year, the California Science Teachers Association Board of Directors honors an individual who has made a significant contribution to science education in the state of California as a member of CSTA. The Margaret Nicholson Distinguished Service Award represents the highest honor given by CSTA and recognizes an individual who, through years of leadership and service, has made an impact on the quality of science teaching through a range of service including professional involvement.

Past Recipients

NOMINATION PROCEDURE

In addition to completing the form below, the contributions of each nominee should be substantiated in one or more letters of support, submitted by the nominator or nominating chapter, which describes specific examples of service, leadership, and commitment. Both the nominator and the nominee must be CSTA members for a minimum of four years. The winner of the award will be selected by the CSTA Board of Directors from a slate of nominees submitted by the CSTA Awards Committee. Awards will be presented at the California Science Education Conference sponsored by CSTA.
